

“SNOWFLAKE RIB CAP”

Designed for Alpine Meadow Artisan Yarns™ by Robley Brown

The Snowflake Rib Cap is a little lace on a ribbed background. It will hug your head and ears and still gives a suggestion of lightness. Make it longer if you'd like to roll up the edge as shown.

Materials:

One skein of Alpine Meadow “Moonbeams” Worsted Weight Yarn (Approx. 100 yds.)

A size 7 circular needle & size 7 double points, Darning needle, Size H Crochet Hook

Pictured in: “Winter Wonderland”

Cast on: Make a circle of wool and crochet 8 single crochets into it. (See Knitting Workshop by Elizabeth Zimmerman) OR if using double point needles cast 8 stitches onto one needle, then divide, slipping 2 st. onto each of 4 needles. Turn off the telephone and put the cat out of the room before casting on. The first 3 or 4 rounds are fiddly.

After you've successfully cast on and knit your 1st row, begin Chart 1, repeating it 8 times around. Switch to 16” or 24” circular needles at the end of chart 1 or when convenient. Once you've finished Chart 1, work Chart 2, repeating each row 10 times to make a round. Repeat Chart 2- Two Times.

Finish your cap in k1, p1 ribbing until cap measures 8” and cast off. If you want a longer ribbing to turn back then continue your ribbing to desired length or until you have about 4 yards of yarn left and cast off. Use the darning needle to weave in your ends and enjoy!
